

OXBOW TRANSFER STATION POLICY

<p>Policy Number: HW-1-19 Date Passed: October 15, 2019 Resolution Number: 231/19 Date Last Reviewed: October 15, 2019</p>
--

***In the case of differences between this policy and the terms of the Approval to Establish, Construct and/or Operate a Transfer Station the terms of the Approval shall prevail.**

Purpose

The purpose of the Oxbow Transfer Station is to temporarily store solid waste before that solid waste is transported to a treatment, recycling, recovery or disposal facility. The station may be used to burn clean, non-painted and non-treated wood. The station stores solid waste in a receptacle, bin or container that prevents that waste, or any liquid in that waste from leaving the container.

Hours of Operation

The Transfer Station is open:

- April 1 to October 31:
 - 1-5pm Monday, Wednesday, Friday and Sunday
 - 4-7pm Thursday (3-6 pm in October)
 - 9-12noon and 1-5pm Saturday
- November 1 to March 31:
 - 2:30 to 4:30pm Friday
 - 10:30am to 2:30pm Saturday

All vehicles must be charged and all payments receipted. All monies and receipts must be brought to the town office weekly. A numbered receipt book is provided by the town office.

Items That May Be Taken To The Transfer Station

- Clean wood for burning (not mixed with household refuse). This includes trees/branches,

shrubs, untreated wood. **This does not include sorted or unsorted demolition debris. This is not to be accepted. The owner/person wishing to dispose of this material should be told to contact GFL or Loraas Disposal.**

- Recycling items: paper, cardboard, tins, bottles. These are deposited in the appropriate recycling bins.
- Household garbage which is deposited in the appropriate bin(s).

Items Not Accepted

- Electronic devices including microwaves – these items can be dropped off at the Town shop
- Liquid domestic waste (sewage)
- Hazardous substances or dangerous goods
- Petroleum products, remains or by-products
- By-products of a slaughterhouse
- Biomedical waste
- Shingles
- Tires
- Cement and rubble
- Vehicles

Site Maintenance and Procedures

1. All vehicles will be inspected at the gate. At this time the site operator will approve/disapprove the material to be disposed. If the site operator approves part of the load but not all, the full cost of the vehicle as per the schedule of fees shall apply.
2. If approved the site operator will receive the appropriate payment, issue a receipt and inform the driver where to 'dump'.
3. If not approved, the site operator will advise the driver to contact Loraas Disposal.
4. If partially approved, the site operator will inform driver where to 'dump' the approved materials and ensure that only the approved materials are deposited in the appropriate bin(s) and all unapproved materials leave the transfer station site.

Bins

The site operator will arrange for the removal of bins by Loraas Disposal as frequently as necessary to ensure there is no 'overflow' of bins.

Burn Pile

1. No burning shall take place without the approval; firstly of the SK Ministry of Environment and then the Fire Chief and the Chief Administrative Officer.
2. When a pile is to be burned, the Oxbow/Enniskillen Fire Department and members of the fire department shall conduct and/or monitor the burn.
3. Prior to a burn, the burn pile shall be inspected to ensure no household garbage or items that should not be burned are in the pile.

Maintenance

Weekly, or more frequently as required, the site operator will:

- collect loose refuse and dispose of it accordingly;
- ensure the burn pile is neat and non-burn materials have been removed;
- ensure overall neatness and cleanliness of the site.

Log Book

The site operator will maintain a daily/weekly/monthly log of usage of the site in the matter prescribed and attached. The log book shall be kept at the Transfer Station and the monthly log submitted at the end of each month to the Office. The log book will include number of disposals, type and comments.

Items Kept at Transfer Station Site

- Permit to Operate
- Log Book
- Policies and Procedures as approved by the Council of the Town of Oxbow

Copies of the Permit to Operate, Policies and Procedures, and the monthly summary of the log book shall also be kept at the Town Office and Town Public Works Shop.
