

**BYLAW 1094**  
A BYLAW OF THE TOWN OF OXBOW, IN THE PROVINCE OF SASKATCHEWAN  
TO REGULATE THE SIGNING CORRIDOR

The Council of the Town of Oxbow, in the Province of Saskatchewan, enacts as follows:

1. This Bylaw shall be cited as the "Signing Corridor Bylaw".
2. Any business or non-profit organization desiring to erect a sign in the signing corridor must apply to the Town of Oxbow Chief Administrative Officer. The application is attached hereto and forms a part of this bylaw.
3. Applications approved by the Chief Administrative Officer may be subject to further approval or further agreement with the landowner where the signing corridor is located.
4. The landowner has right of refusal for granting approval to erect the sign and to charge a fee for each sign.
5. The Town of Oxbow shall collect any fees that may be charged for utilizing the sign corridor. The fees shall then be forwarded to the landowner or to any other third party as agreed.
6. In accordance with The Erection of Signs Adjacent to Provincial Highways Regulations, signs are to be located approximately 72 feet from the centreline of Highway #18 and within the signing corridor boundary as established by Saskatchewan Highways and Transportation.
7. In accordance with The Erection of Signs Adjacent to Provincial Highways Regulations, the distance between each sign in the corridor shall be approximately 118 feet.
8. Authorized signs permitted in the signing corridor shall ensure:
  - a. The dimensions of the sign are 4 feet high by 8 feet wide;
  - b. The sign supports are made of 6" by 6" treated wooden posted, painted white;
  - c. The sign base is 4 feet above ground level;
  - d. Illumination of signs is not permitted.
9. The business or non-profit erecting a sign shall be responsible for all costs associated with sign fabrication, erection and maintenance of said sign.
10. Supplies associated with the erection of the sign include: 1 ½ sheets of 4' x 8' x ½ "treated plywood, 5 - 2" x 6" x 8' treated lumber, 2 - 6" x 6" x 16' treated posts, 1 yard of 3'4" crushed rock, white paint, screws and lag bolts and a fee to dig the holes and erect the signs.
11. Any supplies and/or fees associated with the erection of the sign must be paid for prior to erecting the sign.
